REMARKS

During prosecution in a foreign counterpart application it was brought to the applicant's attention that an inadvertent error occurred in the basic U.S. application wherein "... organic bicarbonate includes ammonium bicarbonate" should have read "inorganic bicarbonate ...". Thus, page 6 and claims 8 and 37 have been amended to correct this error. Entry of these amendments is believed to be in order and is requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
